KIT DANGEL FOR A 110

DESCRIPTION	REFERENCE	€uro HT
KIT DANGEL A110 OU R8G	MP2229	329.38 €

It's a rigging fixture for the front wheel camber. The kit contains adaptators, metallic bearings and upgraded pins and makes a fine and identical fixture possible for each wheel down to 2,5 ° negative.

By increasing the stiffness of the front axle, the kit provides an unrivalled driving precision
